war - ble - the night - in-gales, war-ble the night - in - gales...

the night - in - gales, the night - in - gales.

the night - in - gales, the night - in - gales...

the night - in - gales, the night - in - gales.

Luister, want het briesje zeilt op kalme vleugels door het lichte lover. Verborgen in het groene bos kwelen de nachtega-
len.
